

Protection and hygiene concept for the VDP.Weinbörse 2022

Rheingoldhalle Mainz (Rheinstraße 66, 55116 Mainz)

As at April 7, 2022

To protect all visitors of the VDP.Weinbörse in Mainz on April 24th and 25th 2022, all participants undertake to comply with the following infection protection principles and hygiene rules. The protection and hygiene concept applies to all event areas.

Our **contact person** for infection and hygiene protection:

Jelena Begic, Eventmanagement
VDP.Die Prädikatsweingüter e.V.
Taunusstraße 61
55118 Mainz

1. Admission and mask obligation

Since the Corona regulations of the federal states are subject to constant changes, we ask you to note that the VDP.Weinbörse in any case and independently of this will be held under **2G+ conditions**. Due to the type of the event (open tasting situation, etc.), this ensures the most possible safety for all participants.

Admission will only be granted to people who are **fully vaccinated or have recovered** AND **in addition have a daily, negative test result**. We therefore ask all visitors to take a daily test before arrival. At the same time, there will be a test center directly in front of the event location. Proof is required and will be checked at the entrance to the event.

Indoors, the rules officially in force at the time of the event regarding the obligation to wear masks must be observed.

2. Additional safety precautions

- All visitors have been registered, which means that contact can be traced
- For the tasting all visitors are provided with their own spouts / spit cups
- In the sanitary areas towel dispensers and soaps are available for use
- Disinfection dispensers are available throughout the area
- Wide aisles and spacious entry areas are guaranteed
- There is regular cleaning and ventilation of the premises at shortened intervals

3. Instructions for action in suspected cases

In the case of obvious symptoms we kindly ask you to refrain from participating in the event.
