PRESS RELEASE

Edwin Vos New Auctioneer at 2022 GROSSER RING VDP Mosel-Saar-Ruwer Auctions

The 134th Prädikat Wine Auctions and the 4th VDP.GROSSES GEWÄCHS Auctions from the GROSSER RING VDP Mosel-Saar-Ruwer are annual highlights on the VDP calendar.

The two events, scheduled for 16 September in Trier, will have a new face this year: Edwin Vos, the international director for wine and spirits and lead auctioneer in this category at Christie's of London. "Edwin Vos is a proven expert with many years of experience on the international auction stage. His comprehensive experience in the wine business, his love for the grand wines of the world, and in particular Rieslings from Mosel-Saar-Ruwer, will lend a new accent to our auctions," promises Carl von Schubert, chairman of the GROSSER RING.

Vos takes the gavel from longtime auctioneer Max von Kunow, who is stepping down for both professional and personal reasons. The GROSSER RING thanks Max von Kunow for his long and successful work. Not that Kunow is going far — he and his estate will remain active in the association as a seller.

As is tradition at VDP auctions, all sales run through licensed agents known as *Kommissionäre*. They place bids on behalf of buyers, and welcome orders, including online, from around the world. The auction catalog can be viewed starting in mid-July at www.vdp-mosel.de.

The auction will be conducted on site and live-streamed on the "VDP Weingueter" channel on YouTube. A link will be provided on both www.vdp-mosel.de and www.vdp.de.

Additional information will be available from mid-July on our homepage www.vdp-mosel.de.
